

Certify to Teach *The 7 Habits of Successful Families*TM workshop

It's no secret that many families today are in trouble. *The 7 Habits of Successful Families*TM workshop offers the principles and tools that enable families to be successful. Start teaching it today.

"This program has changed me and the way I think about my family"

"I feel hope! By following these principles our family can improve and overcome the obstacles and issues we face"

"I've been to several 7 Habits programs, and this one on families is the best"

About The Program

The 7 Habits of Successful Families workshop is based on Stephen R. Covey's #1 best sellers *The 7 Habits of Highly Effective People*[®] and *The 7 Habits of Highly Effective Families*[®]. This engaging family-strengthening program has proven successful with all kinds of families because it uses a self-discovery and adult-learner approach. Families come away with new ways of thinking, new skills, new attitudes, and the commitment to make their family successful.

- Habit 1: *Be Proactive*[®] – learn to take charge of the direction of your family
- Habit 2: *Begin with the End in Mind*[®] – decide what your family stands for
- Habit 3: *Put First Things First*[®] – never let your family and relationships fall to the wayside
- Habit 4: *Think Win-Win*[®] – learn how to develop deep and lasting relationships with family members
- Habit 5: *Seek First to Understand, Then to Be Understood*[®] – communicate with greater understanding
- Habit 6: *Synergize*[®] – let differences unite, not divide
- Habit 7: *Sharpen the Saw*[®] – grow together with your family
