

# Membership Preparation

A pathway for prospective *Leader in Me* schools to gain knowledge, engage support, and exceptionally prepare for implementation.

In partnering with over 4,000 schools that have successfully entered the *Leader in Me* community, the importance of building purpose, consensus, and a funding plan is evident. To better prepare the next wave of *Leader in Me* schools, we are now offering invaluable experiences and resources that will ease the on-boarding process as we collectively lay a stronger foundation for the future.

*Leader in Me* is endorsed by CASEL as an evidence-based social-emotional learning (SEL) process.

## Evidence-Based Results

*Leader in Me* helps schools meet and exceed today's educational standards with an evidence-based approach. Ongoing empirical research from over 30 institutions reveal evidence of the significant impact *Leader in Me* can have on a school culture.

## Award-Winning Leadership Content

FranklinCovey is the world leader in helping organizations from all industries achieve culture change with award-winning content, tools, methodology, training, and coaching - all based on a foundation of timeless principles and proven practices.

# Offerings | Package

As you look to join our community a package of services may be beneficial as you look to define your purpose, build consensus, and secure funding. The three packages include: Experience Leadership, Align and Engage, and Strengthen Knowledge.

## Experience Leadership Package

Redefining and heightening leadership is a central tenant of the *Leader in Me* process. With "Experience Leadership," your team will internalize the *7 Habits of Highly Effective People*®, gain a deeper understanding for how leadership can enrich the education experience of your students, and meet other educators active in the community. At the conclusion, you will be equipped to envision the impact of leadership in your community.

### Experiences

- 2-day professional development in the *7 Habits* for up to 70 people.
- (4) total seats at any of the following *Leader in Me* community events; Principal Academy, 7 Habits- Regional Training, Symposium.
- Ongoing access to your local client partner for support around key information, consensus building, and funding strategies.

**\$14,950**  
Includes shipping/travel

## Align and Engage Package

Many of our most successful schools have started their journey with unwavering support from their parents, community and district office. This is most often achieved through understanding how the *Leader in Me* process can serve as the vehicle to reach key outcomes that are desired from the school, parent, district, and state levels. The goal of "Align and Engage," is to support you in building stronger consensus through a clear understanding of how *Leader in Me* can drive the results that are important to your community.

### Experiences

- 1 day professional development in Rethinking Leadership
- 1 coaching session focused on "Aligning School Priorities"
- (2) total seats at any of the following *Leader in Me* community events; Principal Academy, 7 Habits- Regional Training, Symposium
- Ongoing access to your local client partner for support around key information, consensus building, and funding strategies.

**\$8,450**  
Includes shipping/travel

# Strengthen Knowledge Package

As you begin to learn more about *Leader in Me*, having the right access to information is essential. With "Strengthen Knowledge," your school community will be equipped to learn how your school priorities and initiatives could be supported and excelled with the *Leader in Me* process.

## Experiences

- *The Leader in Me* - book and study guide for up to 70 people.
- 1 coaching session focused on "Aligning School Priorities"
- (2) total seats at any of the following *Leader in Me* community events; Principal Academy, 7 Habits- Regional Training, Symposium
- Ongoing access to your local client partner for support around key information, consensus building, and funding strategies.

**\$4,450**  
Includes shipping/travel

## Offerings | Individual

Most schools will benefit from a package of services as you look to join our community, yet for some, charting their own path makes the most sense. Listed below are a variety of individual options to pursue as you look to define your purpose, build consensus, and secure funding.

- |                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                        |
