

K-12 Summer Learning

A foundation for developing leadership and life skills based on
The 7 Habits of Highly Effective People

A summer learning experience for grades K-12, where students learn the 7 Habits of Highly Effective People and apply leadership and life skills through high engagement developmental games and activities.

The *Leader in Me* summer experiences provide a critical foundation for all learners to experience and internalize leadership competencies and skills that develop the whole person.

END IN MIND

The summer learning experience has been designed to prioritize high engagement games, getting students up and moving, and creating positive experiences and relationships between students and staff.

There are three options for delivery:

- **Educator-Guided (K-8):** Teachers receive personal development training, and students are engaged in leadership-building activities.
- **FranklinCovey Consultant-Led, 5 day (High School):** Students engage in a customized 7 Habits Signature™ experience, designed to equip them with necessary life skills in a fun environment.
- **Teach to Learn Experience, 8 day (High School):** High school students experience the 5 day 7 Habits PLUS a 1 day Teach to Learn training and 2 day reflective summit and life planning experience based on the 4 Disciplines of Execution.

Educator-Guided

A Summer Learning experience for students in Grades K-8, during which students learn the 7 Habits of Highly Effective People and apply leadership and life skills using the **Summer Learning Guided Journals** and while participating in high-engagement games and activities.
