

# Impact Journey Overview

## A Culture of Belonging:

### Fostering Belonging in Classrooms and Schools

This Impact Journey aims to honor the impact that educators have on student belonging and strengthen classroom and school practices to create opportunities for all students to achieve excellent outcomes.

*At the end of the session, participants will be able to build a culture of belonging by becoming more self-aware, holding high expectations, and building authentic relationships through a focus on educational equity.*

## End in Mind

Students come to our schools from various backgrounds, different life experiences, with unique strengths, and at varying degrees of readiness. What works for one student may not work for another.

Building a culture of belonging is about identifying issues and gaps that prevent students from fully engaging in their education and providing targeted solutions or resources to address them. Approaches to creating that culture will look different in every school and community. This session will provide educators with choices for how to achieve excellent outcomes for all students.

# A Culture of Belonging

## LEARNING TARGETS

This Impact Journey will prepare educators to:

- Understand how the brain works to increase self-awareness and address bias
- Build educational equity by communicating high expectations
- Create a culture of belonging through authentic relationships
- Utilize *Leader in Me* Highly Effective Practices to strengthen students' sense of inclusion and belonging

## CUSTOMIZE YOUR IMPACT JOURNEY EXPERIENCE

Impact Journeys consist of two parts:

**Impact Journey Workshops** equip your target audience with new learning about the Impact Journey content area. They can be delivered across a variety of modalities, and by either a FranklinCovey Consultant or a certified member of your district staff.\*

**Implementation Coaching** helps your school implement the content from the workshops, deepens the new learning, and advances progress on achieving your targeted results.
