

Core 1 Journey

LIGHTHOUSE TEAM TRAINING 1

During Lighthouse Team Trainings, the members of the Lighthouse Team learn how to support staff in the new learning for that level, how to organize Action Teams, and how to be effective leaders among peers.

THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE®

In this All Staff Workshop, participants will learn the timeless, universal principles of effectiveness that form the foundation of your *Leader in Me* implementation.

CORE 1: DESIGNING OUR LEADERSHIP SCHOOL

This All Staff Workshop equips your teachers and non-teaching staff members with new learning about how to implement *Leader in Me*.

IMPLEMENTATION COACHING

Implementation Coaching helps your school implement the content from the workshops, deepens the new learning, and advances progress on achieving your targeted results.

Core 1

Each Core level begins with a Lighthouse Team Training and a full staff training. From there, you can select the amount of implementation coaching that best fits your needs and budget.

RECOMMENDED COACHING

Standard (2 days) or above. This coaching covers both the Lighthouse Team and full staff workshops for the year

Core Coaching

Core Coaching helps your school implement the content from the workshops, deepens the new learning, and advances progress on achieving your targeted results.

The research is very clear that the pathway to ensuring theory turns into implementation is through the addition of coaching. *Leader in Me* Core Coaching is available in four bundles, with increasing impact at each level:

Basic – 1 day of coaching

Standard – 2 days of coaching

Advanced – 3 days of coaching

Custom – 4+ days of coaching

The 7 Habits of Highly Effective People®

This all-staff training grounds your school community in *The 7 Habits of Highly Effective People*®.

Based on Dr. Covey's award-winning book, this

training is foundational to the *Leader in Me* model and is the starting point for the *Leader in Me* journey.
