VIDEO: [Resources](#)

Watch the Early Learning Curriculum come to life through *The 7 Habits of Happy Kids* puppets, books, and videos. These resources make the curriculum easy, flexible, and adaptable ... and little leaders love them!

REFLECTION QUESTIONS:

How might you use the *Leader in Me* resources to keep your students engaged in leadership learning throughout the day?

Curriculum Essentials

From streaming media to visual and teaching aids, the *Leader in Me* Early Learning Curriculum features a host of resources to engage little leaders.

To purchase a Curriculum Essentials Bundle—Teacher Editions, Student and Family Editions, *The 7 Habits of Happy Kids*® puppet set, *The 7 Habits of Happy Kids* boxed book set, and posters—please contact your FranklinCovey *Leader in Me* representative or email support@leaderinme.com.

- **7 Habits of Happy Kids Video series.** With multiple series available, including the *Leaders Around the World* and the *Take a Break* series, students will love learning alongside the Kids of 7 Oaks characters.
- **7 Habits of Happy Kids boxed book set.** Build interest and excitement with picture walks and deepen understanding of leadership concepts with full read-alouds.
- **A Happy Kids puppet set.** Prompt thoughtful discussion with built-in puppet scripts and these fun hand puppets or use the Make-It-Yourself Puppets printable on *Leader in Me* Online
- **Classroom posters.** Create a leadership classroom that communicates worth and potential with the 7 Habits of Happy Kids and other poster sets.

INCLUDED:

- **39 original videos** starring the 7 Habits of Happy Kids to prompt reflection and discussion.
- **16 original songs with audio tracks** to help students remember and apply leadership learning.
- **19 downloadable posters** to teach the Habits, emotion regulation, whole-body listening, and other leadership competencies.
- **16 printable card decks** to scaffold emotion recognition, calming strategies, and whole-body breaks.
- **45 School-to-Home Connection resources** to extend student learning beyond the classroom with family activities and discussion questions.
- **180 extension activities**, including:
 - **45 Creative Corner** resources to invite artistic expression of leadership learning through a variety of media.
 - **45 Imaginative Play** resources to unlock the power of imagination with intentional pretend play materials and prompting.
 - **45 Song & Movement** resources to support motor skill and cognitive development with original songs as well as a 7 Habits spin on some of the classics.
 - **45 Literacy & Math Learning** resources to create hands-on opportunities to connect weekly standards with math and literacy skill development.
