

Extended Learning

Extend learning opportunities beyond the school day through a game-based discovery learning methodology.

Leader in Me's Extended Learning/Out of School Time solutions support students in developing executive function, social competencies, and academic readiness skills while creating unforgettable experiences and meaningful relationships.

Key Benefits:

1. Leadership development opportunities for students at every grade level
2. Powerful learning approach where students discover and explore principles to guide their lives
3. Student materials that support creativity, vision, active engagement, and self reflection paired with application
4. Application of Teach-to-Learn methodology for teens that creates new mindsets and habits
5. Strong professional learning experiences for certified and non-certified staff members

3 Dynamic Programs

Teen Leadership Institute (Summer or After School)

A fun, engaging, and powerful experience for teens to learn the 7 Habits of Highly Effective People in deep and significant ways.

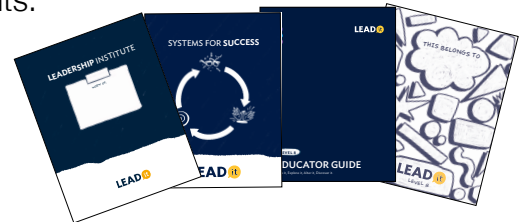

Option 1:

- 2–4 days learning The 7 Habits of Highly Effective People
- Students learn directly from FranklinCovey Education coaches
- Optional add on: The Leadership Project

Option 2:

- 7–8 days
- Teach-to-Learn Model
- Teens experience the 7 Habits of Highly Effective People and learn the content and instructional methodology to deliver the summer school curriculum to younger students.

After School K–8

A flexible, research-backed curriculum that supports non-certified teaching staff in delivering leadership and life skills content across a wide range of age groupings and settings.

- 20–30-minute lessons
- 130 developmentally-aligned lessons designed around multi-age groups
- 3–4 days professional learning support
- *Leader in Me* Online Extended Learning Resource Library

Summer School K–8

K–12 students experience a creative, game-based learning experience built on the 7 Habits of Highly Effective People and best practices for executive function and other academic readiness skill development.

- 60-minute lessons
- 30 developmentally-aligned lessons per grade level
- 1–2 days professional learning support
- *Leader in Me* Online Extended Learning Resource Library
